

In partnership with Literacy Together in Asheville, North Carolina, Holland School is participating in a Children's Book Drive.

From October 16-31, students may bring a gently used or new book to donate to our school friends in North Carolina who have been impacted by Hurricane Helene. This is a great way for all of us, even our younger students, to help those in need.

If you would like to participate, please send a book in with your child. We will collect in homeroom and then box for distribution on November 1st.

Questions, please contact Mrs. Wardell- sward@hollandschool.org
