

FAMILY MATH NIGHT GRADES K-5

We hope you and will join us for a night of learning the fun that math offers.

Unfortunately, we cannot provide child care, so please make arrangements for your younger children.

Thursday,
November 21
6-7:30 PM

Parents will learn math strategies used in class.

Students will play math games, have a snack, and then teach these games to their parents.

Sponsored by Holland Township Education Association

**Kindly RSVP By:
November 15**

**Seating is limited
First come, first serve.
