February 4, 2025

Dear Holland Families:

Tomorrow, February 5th is Global Play Day. As what has become a tradition, Holland School will participate in Play Day for a portion of the school day.

Games and activities will be provided for students. However, if they would like to bring a board game, deck of cards, or something small to play with, they may. Students are responsible for equipment they bring from home.

Please click [here](#) for more information on Global Play Day.

As of this writing, only 44 days until Spring!

Have a great weekend watching the Super Bowl,

Mrs. Wardell
