August 2024

Dear Kindergarten Parents/Guardians,

Welcome! We are so excited to welcome you to Holland Township School. Our annual Kindergarten Orientation will take place on Tuesday, August 27, 2024 from 11:00-12:00. Parents and rising Kindergarteners may come freely to meet their teacher and see their classroom.

Shortly, parents/guardians will be notified to check the Parent Portal in Genesis to complete forms and view the name of their child's teacher.

In addition, if your child will be taking the bus, we will have one on campus for your child to familiarize him/herself with.

Finally, parents are welcome to bring student supplies in to alleviate having to carry it in on the first day of school.

Sincerely,

Susan Wardell
