

# Autumn on the O'sakame Preserve

In case you missed the summer walk, we are repeating it in cooler weather.

Join Hunterdon County Parks Naturalist Laura Bush for a stroll around the trail to explore the season. This trail walk will take you along the 3/4 mile perimeter, noting the shapes, smells, and textures of the native species found in Hunterdon County.

**TUESDAY OCTOBER 8, 2024 - 10AM**
